FLOOR DEBATE

March 26, 2002 LB 1085

put aside some of the smaller differences you may have. There's the next part of this amendment that is going to be very painful for a few people who have worked very, very hard, and I think you have to acknowledge that and I think that if the Exec Board sees fit and there is a major proposal that some of those opportunities, Senator Brashear, Senator Jensen will get an opportunity to present their case to you. At this point in time, I would hope that you would see that the first part of making this procedure work is to move to Select File. SENATOR CUDABACK: The amendment was adopted.

SENATOR CUDABACK: Open for...open for discussion on this portion, the fourth component, FA946. Open for discussion. There were several lights on prior to this. They are Senator Byars...Senator Baker, your light is on next.

SENATOR BAKER: Is it correct I'm up next then? Okay, thank you, Senator Cudaback and members. I didn't get to speak on the
